

# Hobsons Bay Yacht Club Inc Club and Laid Courses

## Amendments

29 Nov. 18	Course 10	Modified	Bounding Marks added

### Preamble

Where possible, the intent is to start upwind as indicated by the direction of the first leg of the course, and the course and location of the start line will generally be selected on this basis. However, shipping movements, weather or other circumstances beyond the control of the Race Committee may require this to be varied as necessary.

Competitors should be aware of the shipping movements that can occur at any time and are reminded to keep clear of shipping within Hobsons Bay and the Williamstown and Port Melbourne Channels. While Channel 71, 11, 9 and Transit Marks T20 to T26 are not marks of the course in terms of RRS 28.1 (b), these are bounding marks under RRS 28.2 and therefore have a required side as indicated in the course descriptions below. These are intended to reduce the potential for competitors to interfere with shipping using the channels.

## **Club Courses Western**

### **Preamble**

Western Club Courses will be conducted to the west of the Main Shipping Channel. Courses in this area will be used when our Club Courses, (East of the Main Shipping Channel), are compromised by Kindred Club or International racing activity.

Competitors should be aware of the shipping movements which can occur at any time and are reminded to keep clear of shipping, within Hobsons Bay, and the Williamstown and Port Melbourne Channels. While the Point Cook South Cardinal is not a mark of the course in terms of RRS 28.1 (b), it is a bounding mark under RRS 28.2 and therefore has a required side to pass, as indicated in the course descriptions below. This is intended to reduce the potential for competitors to enter unsafe shallow water.

**The A mark, is an yellow buoy, marked with and shall be located approximately 50 metres South of Point Gellibrand Cardinal Mark used for Western Courses 22 and 23**
